Modern Slavery Act Statement
Slavery and Human Trafficking Transparency Statement for the Financial Year ending July 2026

This Statement is made pursuant to Section 54 (Part 6) of the Modern Slavery Act 2015 ('Act') and sets out the steps that Morris Leisure has taken during the previous financial year to ensure that slavery and human trafficking is not operating within either its own business or its supply chains.

Company Overview

Morris Leisure is a family-owned company and part of the Paterson Enterprises Limited group.

Morris Leisure's Philosophies and Principles

Morris Leisure strives to ensure that it does not contribute towards adverse human rights impacts through its supply chains. There is an ongoing commitment to engage only those suppliers that uphold the same principles as Morris Leisure and where necessary ensure the implementation of corrective action measures. If suppliers fail to take steps to cease or prevent adverse human rights impacts, Morris Leisure will reconsider its business relationships with those suppliers.

Supply Chain Management

Morris Leisure sources goods and services from suppliers based almost entirely in the United Kingdom. In all its dealings with those suppliers it strives to ensure that the highest ethical standards are always reached. As part of this ongoing requirement, there has been increased focus on the requirement for a long-term commitment by those suppliers to eradicate slavery and human trafficking in their own businesses and supply chains.

Internal auditing

An initial audit of all Morris Leisure has been completed and presents us with no immediate concerns. Most of those suppliers are based in the United Kingdom and have been assessed as posing minimal risk in terms of non-compliance with the Act.

Morris Leisure's continued commitment

Morris Leisure recognises the importance of maintaining constant vigilance to identify and address any impacts associated with slavery and human trafficking throughout its supply chains. In recognition of the salience of these issues, Morris Leisure is committed to continuing to enhance its capacity to identify, prevent and mitigate any actual or potential impacts in this field.
